PETITION FOR TWO MONTH EXTENSION OF TIME

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby request that the period for responding to the Final Office Action, now set to expire on September 17, 2008, be extended by two (2) months, so as to expire on November 17, 2008.

Applicants note that on September 29, 2008, a Request For Continued Examination (RCE) was filed along with the one month extension electronically (copy of receipt enclosed). For some reason, the USPTO did not process the RCE, requiring us to file another request today. We believe that the failure to process was a USPTO error, and we should not have to pay for the additional extension of time. If we were previously charged for the RCE request filed September 29, 2008, we should also not have pay this fee a second time.

However, as Applicants are associated with a large entity, the Director is hereby authorized to charge the following fees, the amount of \$370.00 (Difference between the one-month extension (\$120.00) filed electronically on September 29, 2008 and the two month extension (\$490.00) now due, any underpayment of fees or credit any overpayment of fees, to our Deposit Account No. 502-470.

Favorable action on this Request for Extension of Time is courteously solicited.
